Hickory Dickory Decks Construction Management Trainee

We are looking for construction management trainees to join some of our franchise locations across Southern Ontario, including Niagara, York Region, Toronto, Mississauga, Caledon/ Duffrin and Ottawa. Candidates will learn all aspects of a small to mid-size business focusing on building custom projects, permit drawings, 2D and 3D designs, material take offs, project management and providing customer service. This is a full-time seasonal position.

Responsibilities:

- Build custom decks and structures
- Involved with building inspectors and permits
- Maintain a clean worksite
- Material take off and delivery schedules may be required
- 2D and 3D designs
- Job scheduling
- Manage project from initial sales call to completion
- Ability to create and submit permit drawings is an asset

Qualifications:

- Construction experience and basic carpentry tools are an asset
- Working towards or graduate of a Construction Management, Architectural Technology related program
- BCIN designation not required but useful
- AutoCad experience
- Interpersonal skills needed for dealing with management, builders, and customers
- The ability to work independently and as a team player
- Ability to thrive in a multi-task, deadline oriented, self-motivating environment
- Proficiency with MS Office
- Design software experience is an asset (Google Sketchup)

- Strong work ethic
- Must have a valid G driver's license and own transportation
- Must be flexible to work evenings and some Saturdays

About Hickory Dickory Decks:

We are the largest deck company in Canada located in over 65 cities. With franchises located predominantly in Ontario, we have excelled by providing top quality decks combined with excellent customer service. With over 30,000 projects completed and more than 30 years' worth of experience, we have become a leader in the deck building industry. A great opportunity exists for an independent and self-motivated person. If you are interested in working for a corporation that offers a variety of responsibilities and experiences out of College or University, please consider joining us!
